

Music Brainstorm:

Fold a sheet of paper in half. On each half (there are 4, front and back), choose a song you love and answer the following questions:

Who do you listen to it with?
does it make you think of?

What memories does it evoke?
emotions do you feel?

When/Where do you listen to it?

Why do you love it?
should others give it a listen?

How do you feel when you hear it?
do you listen to it - speakers, headphones?
