

MLA Works Cited Page: Basic Format

Summary:

MLA (Modern Language Association) style is most commonly used to write papers and cite sources within the liberal arts and humanities. This resource, updated to reflect the *MLA Handbook for Writers of Research Papers* (7th ed.) and the *MLA Style Manual and Guide to Scholarly Publishing* (3rd ed.), offers examples for the general format of MLA research papers, in-text citations, endnotes/footnotes, and the Works Cited page.

Contributors: Tony Russell, Allen Brizee, Elizabeth Angeli, Russell Keck, Joshua M. Paiz, Michelle Campbell, Rodrigo Rodríguez-Fuentes, Daniel P. Kenzie, Purdue OWL Staff

Last Edited: 2013-10-03 10:41:05

According to MLA style, you must have a Works Cited page at the end of your research paper. All entries in the Works Cited page must correspond to the works cited in your main text.

Basic rules

- Begin your Works Cited page on a separate page at the end of your research paper. It should have the same one-inch margins and last name, page number header as the rest of your paper.
- Label the page Works Cited (do not italicize the words Works Cited or put them in quotation marks) and center the words Works Cited at the top of the page.
- Double space all citations, but do not skip spaces between entries.
- Indent the second and subsequent lines of citations by 0.5 inches to create a hanging indent.
- List page numbers of sources efficiently, when needed. If you refer to a journal article that appeared on pages 225 through 250, list the page numbers on your Works Cited page as 225-50. Note that MLA style uses a hyphen in a span of pages.

Additional basic rules new to MLA 2009

New to MLA 2009:

- For every entry, you must determine the Medium of Publication. Most entries will likely be listed as Print or Web sources, but other possibilities may include Film, CD-ROM, or DVD.
- Writers are **no longer required** to provide URLs for Web entries. However, if your instructor or publisher insists on them, include them in angle brackets after the entry and end with a period. For long URLs, break lines only at slashes.

- If you're citing an article or a publication that was originally issued in print form but that you retrieved from an online database, you should type the online database name in italics. You do not need to provide subscription information in addition to the database name.

Capitalization and punctuation

- Capitalize each word in the titles of articles, books, etc, but do not capitalize articles (the, an), prepositions, or conjunctions unless one is the first word of the title or subtitle: *Gone with the Wind*, *The Art of War*, *There Is Nothing Left to Lose*.
- **New to MLA 2009:** Use italics (instead of underlining) for titles of larger works (books, magazines) and quotation marks for titles of shorter works (poems, articles)

Listing author names

Entries are listed alphabetically by the author's last name (or, for entire edited collections, editor names). Author names are written last name first; middle names or middle initials follow the first name:

Burke, Kenneth

Levy, David M.

Wallace, David Foster

Do not list titles (Dr., Sir, Saint, etc.) or degrees (PhD, MA, DDS, etc.) with names. A book listing an author named "John Bigbrain, PhD" appears simply as "Bigbrain, John"; do, however, include suffixes like "Jr." or "II." Putting it all together, a work by Dr. Martin Luther King, Jr. would be cited as "King, Martin Luther, Jr." Here the suffix following the first or middle name and a comma.

More than one work by an author

If you have cited more than one work by a particular author, order the entries alphabetically by title, and use three hyphens in place of the author's name for every entry after the first:

Burke, Kenneth. *A Grammar of Motives*. [...]

---. *A Rhetoric of Motives*. [...]

When an author or collection editor appears both as the sole author of a text and as the first author of a group, list solo-author entries first:

Heller, Steven, ed. *The Education of an E-Designer*.

Heller, Steven, and Karen Pomeroy. *Design Literacy: Understanding Graphic Design*.

Work with no known author

Alphabetize works with no known author by their title; use a shortened version of the title in the parenthetical citations in your paper. In this case, Boring Postcards USA has no known author:

Baudrillard, Jean. *Simulacra and Simulations*. [...]

Boring Postcards USA. [...]

Burke, Kenneth. *A Rhetoric of Motives*. [...]

MLA Works Cited Page: Books

Summary:

MLA (Modern Language Association) style is most commonly used to write papers and cite sources within the liberal arts and humanities. This resource, updated to reflect the *MLA Handbook for Writers of Research Papers* (7th ed.) and the *MLA Style Manual and Guide to Scholarly Publishing* (3rd ed.), offers examples for the general format of MLA research papers, in-text citations, endnotes/footnotes, and the Works Cited page.

Last Edited: 2014-12-02 10:03:40

When you are gathering book sources, be sure to make note of the following bibliographic items: author name(s), book title, publication date, publisher, place of publication. The medium of publication for all “hard copy” books is Print.

For more information, consult “Citing Nonperiodical Print Publications” in the *MLA Handbook for Writers of Research Papers*, 7th edition (sec. 5.5, 148-81), or the *MLA Style Manual and Guide to Scholarly Publishing*, 3rd edition (sec. 6.6, 185-211).

Basic Format

The author’s name or a book with a single author's name appears in last name, first name format. The basic form for a book citation is:

Lastname, Firstname. *Title of Book*. City of Publication: Publisher, Year of Publication. Medium of Publication.

Book with One Author

Gleick, James. *Chaos: Making a New Science*. New York: Penguin, 1987. Print.

Henley, Patricia. *The Hummingbird House*. Denver: MacMurray, 1999. Print.

Book with More Than One Author

The first given name appears in last name, first name format; subsequent author names appear in first name last name format.

Gillespie, Paula, and Neal Lerner. *The Allyn and Bacon Guide to Peer Tutoring*. Boston: Allyn, 2000. Print.

If there are more than three authors, you may choose to list only the first author followed by the phrase et al. (Latin for "and others") in place of the subsequent authors' names, or you may list all the authors in the order in which their names appear on the title page. (Note that there is a period after "al" in "et al." Also note that there is never a period after the "et" in "et al.").

Wysocki, Anne Frances, et al. *Writing New Media: Theory and Applications for Expanding the Teaching of Composition*. Logan: Utah State UP, 2004. Print.

or

Wysocki, Anne Frances, Johndan Johnson-Eilola, Cynthia L. Selfe, and Geoffrey Sirc. *Writing New Media: Theory and Applications for Expanding the Teaching of Composition*. Logan: Utah State UP, 2004. Print.

Two or More Books by the Same Author

List works alphabetically by title. (Remember to ignore articles like A, An, and The.) Provide the author's name in last name, first name format for the first entry only. For each subsequent entry by the same author, use three hyphens and a period.

Palmer, William J. *Dickens and New Historicism*. New York: St. Martin's, 1997. Print.

---. *The Films of the Eighties: A Social History*. Carbondale: Southern Illinois UP, 1993. Print.

Book by a Corporate Author or Organization

A corporate author may include a commission, a committee, or a group that does not identify individual members on the title page. List the names of corporate authors in the place where an author's name typically appears at the beginning of the entry.

American Allergy Association. *Allergies in Children*. New York: Random, 1998. Print.

Book with No Author

List by title of the book. Incorporate these entries alphabetically just as you would with works that include an author name. For example, the following entry might appear between entries of works written by Dean, Shaun and Forsythe, Jonathan.

Encyclopedia of Indiana. New York: Somerset, 1993. Print.

Remember that for an in-text (parenthetical) citation of a book with no author, provide the name of the work in the signal phrase and the page number in parentheses. You may also use a shortened version of the title of the book accompanied by the page number. For more information see In-text Citations for Print Sources with No Known Author section of In-text Citations: The Basics, which you can link to at the bottom of this page.

A Translated Book

Cite as you would any other book. Add "Trans."—the abbreviation for translated by—and follow with the name(s) of the translator(s).

Foucault, Michel. *Madness and Civilization: A History of Insanity in the Age of Reason*. Trans. Richard Howard. New York: Vintage-Random House, 1988. Print.

Republished Book

Books may be republished due to popularity without becoming a new edition. New editions are typically revisions of the original work. For books that originally appeared at an earlier date and that have been republished at a later one, insert the original publication date before the publication information. For books that are new editions (i.e. different from the first or other editions of the book), see An Edition of a Book below.

Butler, Judith. *Gender Trouble*. 1990. New York: Routledge, 1999. Print.

Erdrich, Louise. *Love Medicine*. 1984. New York: Perennial-Harper, 1993. Print.

An Edition of a Book

There are two types of editions in book publishing: a book that has been published more than once in different editions and a book that is prepared by someone other than the author (typically an editor).

A Subsequent Edition

Cite the book as you normally would, but add the number of the edition after the title.

Crowley, Sharon, and Debra Hawhee. *Ancient Rhetorics for Contemporary Students*. 3rd ed. New York: Pearson/Longman, 2004. Print.

A Work Prepared by an Editor

Cite the book as you normally would, but add the editor after the title.

Bronte, Charlotte. *Jane Eyre*. Ed. Margaret Smith. Oxford: Oxford UP, 1998. Print.

Anthology or Collection (e.g. Collection of Essays)

To cite the entire anthology or collection, list by editor(s) followed by a comma and "ed." or, for multiple editors, "eds" (for edited by). This sort of entry is somewhat rare. If you are citing a particular piece within an anthology or collection (more common), see A Work in an Anthology, Reference, or Collection below.

Hill, Charles A., and Marguerite Helmers, eds. *Defining Visual Rhetorics*. Mahwah: Lawrence Erlbaum Associates, 2004. Print.

Peterson, Nancy J., ed. *Toni Morrison: Critical and Theoretical Approaches*. Baltimore: Johns Hopkins UP, 1997. Print.

A Work in an Anthology, Reference, or Collection

Works may include an essay in an edited collection or anthology, or a chapter of a book. The basic form for this sort of citation is as follows:

Lastname, First name. "Title of Essay." *Title of Collection*. Ed. Editor's Name(s). City of Publication: Publisher, Year. Page range of entry. Medium of Publication.

Some examples:

Harris, Muriel. "Talk to Me: Engaging Reluctant Writers." *A Tutor's Guide: Helping Writers One to One*. Ed. Ben Rafoth. Portsmouth: Heinemann, 2000. 24-34. Print.

Swanson, Gunnar. "Graphic Design Education as a Liberal Art: Design and Knowledge in the University and The 'Real World.'" *The Education of a Graphic Designer*. Ed. Steven Heller. New York: Allworth Press, 1998. 13-24. Print.

Note on Cross-referencing Several Items from One Anthology: If you cite more than one essay from the same edited collection, MLA indicates you *may* cross-reference within your works cited list in order to avoid writing out the publishing information for each separate essay. You should consider this option if you have several references from a single text. To do so, include a separate entry for the entire collection listed by the editor's name as below:

Rose, Shirley K., and Irwin Weiser, eds. *The Writing Program Administrator as Researcher*. Portsmouth: Heinemann, 1999. Print.

Then, for each individual essay from the collection, list the author's name in last name, first name format, the title of the essay, the editor's last name, and the page range:

L'Eplattenier, Barbara. "Finding Ourselves in the Past: An Argument for Historical Work on WPAs." Rose and Weiser 131-40.

Peeples, Tim. "'Seeing' the WPA With/Through Postmodern Mapping." Rose and Weiser 153-67.

Please note: When cross-referencing items in the works cited list, alphabetical order should be maintained for the entire list.

Poem or Short Story Examples:

Burns, Robert. "Red, Red Rose." *100 Best-Loved Poems*. Ed. Philip Smith. New York: Dover, 1995. 26. Print.

Kincaid, Jamaica. "Girl." *The Vintage Book of Contemporary American Short Stories*. Ed. Tobias Wolff. New York: Vintage, 1994. 306-07. Print.

If the specific literary work is part of the author's own collection (all of the works have the same author), then there will be no editor to reference:

Whitman, Walt. "I Sing the Body Electric." *Selected Poems*. New York: Dover, 1991. 12-19. Print.

Carter, Angela. "The Tiger's Bride." *Burning Your Boats: The Collected Stories*. New York: Penguin, 1995. 154-69. Print.

Article in a Reference Book (e.g. Encyclopedias, Dictionaries)

For entries in encyclopedias, dictionaries, and other reference works, cite the piece as you would any other work in a collection but do not include the publisher information. Also, if the reference book is organized alphabetically, as most are, do not list the volume or the page number of the article or item.

"Ideology." *The American Heritage Dictionary*. 3rd ed. 1997. Print.

A Multivolume Work

When citing only one volume of a multivolume work, include the volume number after the work's title, or after the work's editor or translator.

Quintilian. *Institutio Oratoria*. Trans. H. E. Butler. Vol. 2. Cambridge: Loeb-Harvard UP, 1980. Print.

When citing more than one volume of a multivolume work, cite the total number of volumes in the work. Also, be sure in your in-text citation to provide both the volume number and page number(s). (See Citing Multivolume Works on the In-Text Citations – The Basics page, which you can access by following the appropriate link at the bottom of this page.)

Quintilian. *Institutio Oratoria*. Trans. H. E. Butler. 4 vols. Cambridge: Loeb-Harvard UP, 1980. Print.

If the volume you are using has its own title, cite the book without referring to the other volumes as if it were an independent publication.

Churchill, Winston S. *The Age of Revolution*. New York: Dodd, 1957. Print.

An Introduction, Preface, Foreword, or Afterword

When citing an introduction, a preface, a foreword, or an afterword, write the name of the author(s) of the piece you are citing. Then give the name of the part being cited, which should not be italicized or enclosed in quotation marks; in italics, provide the name of the work and the name of the author of the introduction/preface/forward/afterward. Finish the citation with the details of publication, page range, and item type (e.g., print, web, etc.).

Farrell, Thomas B. Introduction. *Norms of Rhetorical Culture*. By Farrell. New Haven: Yale UP, 1993. 1-13. Print.

If the writer of the piece is different from the author of the complete work, then write the full name of the principal work's author after the word "By." For example, if you were to cite Hugh Dalziel Duncan's introduction of Kenneth Burke's book *Permanence and Change*, you would write the entry as follows:

Duncan, Hugh Dalziel. Introduction. *Permanence and Change: An Anatomy of Purpose*. By Kenneth Burke. 1935. 3rd ed. Berkeley: U of California P, 1984. xiii-xliv. Print.

Other Print/Book Sources

Certain book sources are handled in a special way by MLA style.

The Bible

Give the name of the specific edition you are using, any editor(s) associated with it, followed by the publication information. Remember that your in-text (parenthetical citation) should include the name of the specific edition of the Bible, followed by an abbreviation of the book, the chapter and verse(s). (See Citing the Bible on [In-Text Citations: The Basics](#).)

The New Jerusalem Bible. Ed. Susan Jones. New York: Doubleday, 1985.
Print.

A Government Publication

Cite the author of the publication if the author is identified. Otherwise, start with the name of the national government, followed by the agency (including any subdivisions or agencies) that serves as the organizational author. For congressional documents, be sure to include the number of the Congress and the session when the hearing was held or resolution passed. US government documents are typically published by the Government Printing Office, which MLA abbreviates as GPO.

United States. Cong. Senate. Committee on Energy and Natural Resources.
Hearing on the Geopolitics of Oil. 110th Cong., 1st sess. Washington: GPO,
2007. Print.

United States. Government Accountability Office. *Climate Change: EPA and
DOE Should Do More to Encourage Progress Under Two Voluntary Programs*.
Washington: GPO, 2006. Print.

A Pamphlet

Cite the title and publication information for the pamphlet just as you would a book without an author. Pamphlets and promotional materials commonly feature corporate authors (commissions, committees, or other groups that does not provide individual group member names). If the pamphlet you are citing has no author, cite as directed below. If your pamphlet has an author or a corporate author, put the name of the author (last name, first name format) or corporate author in the place where the author name typically appears at the beginning of the entry. (See also Books by a Corporate Author or Organization above.)

Women's Health: Problems of the Digestive System. Washington: American
College of Obstetricians and Gynecologists, 2006. Print.

Your Rights Under California Welfare Programs. Sacramento: California
Dept. of Social Services, 2007. Print.

Dissertations and Master's Theses

Dissertations and master's theses may be used as sources whether published or not. Cite the work as you would a book, but include the designation Diss. (or MA/MS thesis) followed by the degree-granting school and the year the degree was awarded.

If the dissertation is published, italicize the title and include the publication date. You may also include the University Microfilms International (UMI) order number if you choose:

Bishop, Karen Lynn. *Documenting Institutional Identity: Strategic Writing in the IUPUI Comprehensive Campaign*. Diss. Purdue University, 2002. Ann Arbor: UMI, 2004. Print.

Bile, Jeffrey. *Ecology, Feminism, and a Revised Critical Rhetoric: Toward a Dialectical Partnership*. Diss. Ohio University, 2005. Ann Arbor: UMI, 2006. AAT 3191701. Print.

If the work is not published, put the title in quotation marks and end with the date the degree was awarded:

Graban, Tarez Samra. "Towards a Feminine Ironic: Understanding Irony in the Oppositional Discourse of Women from the Early Modern and Modern Periods." Diss. Purdue University, 2006. Print.

Stolley, Karl. "Toward a Conception of Religion as a Discursive Formation: Implications for Postmodern Composition Theory." MA thesis. Purdue University, 2002. Print.

MLA Works Cited: Periodicals

Summary:

MLA (Modern Language Association) style is most commonly used to write papers and cite sources within the liberal arts and humanities. This resource, updated to reflect the *MLA Handbook for Writers of Research Papers* (7th ed.) and the *MLA Style Manual and Guide to Scholarly Publishing* (3rd ed.), offers examples for the general format of MLA research papers, in-text citations, endnotes/footnotes, and the Works Cited page.

Contributors: Tony Russell, Allen Brizee, Elizabeth Angeli, Russell Keck, Joshua M. Paiz, Michelle Campbell, Rodrigo Rodríguez-Fuentes, Daniel P. Kenzie, Purdue OWL Staff

Last Edited: 2014-08-18 08:28:01

Periodicals (e.g. magazines, newspapers, and scholarly journals) that appear in print require the same medium of publication designator—Print—as books, but the MLA Style method for citing these materials and the items required for these entries are quite different from MLA book citations.

For more information on citing periodicals, consult "Citing Periodical Print Publications" in the *MLA Handbook for Writers of Research Papers*, 7th edition (sec. 5.4, 136-48), or the *MLA Style Manual and Guide to Scholarly Publishing*, 3rd edition (sec. 6.5, 174-85).

Article in a Magazine

Cite by listing the article's author, putting the title of the article in quotations marks, and italicizing the periodical title. Follow with the date of publication. Remember to abbreviate the month. The basic format is as follows:

Author(s). "Title of Article." *Title of Periodical* Day Month Year: pages.
Medium of publication.

Poniewozik, James. "TV Makes a Too-Close Call." *Time* 20 Nov. 2000: 70-71.
Print.

Buchman, Dana. "A Special Education." *Good Housekeeping* Mar. 2006: 143-48.
Print.

Article in a Newspaper

Cite a newspaper article as you would a magazine article, but note the different pagination in a newspaper. If there is more than one edition available for that date (as in an early and late edition of a newspaper), identify the edition following the date (e.g., 17 May 1987, late ed.).

Brubaker, Bill. "New Health Center Targets County's Uninsured Patients."
Washington Post 24 May 2007: LZ01. Print.

Krugman, Andrew. "Fear of Eating." *New York Times* 21 May 2007 late ed.:
A1. Print.

If the newspaper is a less well-known or local publication, include the city name and state in brackets after the title of the newspaper.

Behre, Robert. "Presidential Hopefuls Get Final Crack at Core of S.C.
Democrats." *Post and Courier* [Charleston, SC] 29 Apr. 2007: A11. Print.

Trembacki, Paul. "Brees Hopes to Win Heisman for Team." *Purdue Exponent*
[West Lafayette, IN] 5 Dec. 2000: 20. Print.

A Review

To cite a review, include the title of the review (if available), then the abbreviation "Rev. of" for Review of and provide the title of the work (in italics for books, plays, and films; in quotation marks for articles, poems, and short stories). Finally, provide performance and/or publication information.

Review Author. "Title of Review (if there is one)." Rev. of Performance Title, by Author/Director/Artist. *Title of Periodical* day month year: page. Medium of publication.

Seitz, Matt Zoller. "Life in the Sprawling Suburbs, If You Can Really Call It Living." Rev. of *Radiant City*, dir. Gary Burns and Jim Brown. *New York Times* 30 May 2007 late ed.: E1. Print.

Weiller, K. H. Rev. of *Sport, Rhetoric, and Gender: Historical Perspectives and Media Representations*, ed. Linda K. Fuller. *Choice* Apr. 2007: 1377. Print.

An Editorial & Letter to the Editor

Cite as you would any article in a periodical, but include the designators "Editorial" or "Letter" to identify the type of work it is.

"Of Mines and Men." Editorial. *Wall Street Journal* east. ed. 24 Oct. 2003: A14. Print.

Hamer, John. Letter. *American Journalism Review* Dec. 2006/Jan. 2007: 7. Print.

Anonymous Articles

Cite the article title first, and finish the citation as you would any other for that kind of periodical.

"Business: Global Warming's Boom Town; Tourism in Greenland." *The Economist* 26 May 2007: 82. Print.

"Aging; Women Expect to Care for Aging Parents but Seldom Prepare." *Women's Health Weekly* 10 May 2007: 18. Print.

An Article in a Scholarly Journal

In previous years, MLA required that researchers determine whether or not a scholarly journal employed continuous pagination (page numbers began at page one in the first issue of the years and page numbers took up where they left off in subsequent ones) or non-continuous pagination (page numbers begin at page one in every subsequent issue) in order to determine whether or not to include issue numbers in bibliographic entries. *The MLA Handbook for Writers of Research Papers* 7th edition (2009) eliminates this step. Always provide issue numbers, when available.

Author(s). "Title of Article." *Title of Journal* Volume.Issue (Year):
pages. Medium of publication.

Bagchi, Alaknanda. "Conflicting Nationalisms: The Voice of the Subaltern in Mahasweta Devi's *Bashai Tudu*." *Tulsa Studies in Women's Literature* 15.1 (1996): 41-50. Print.

Duvall, John N. "The (Super)Marketplace of Images: Television as Unmediated Mediation in DeLillo's *White Noise*." *Arizona Quarterly* 50.3 (1994): 127-53. Print.

An Article in a Special Issue of a Scholarly Journal

When an article appears in a special issue of a journal, cite the name of the special issue in the entry's title space, in italics, and end with a period. Add the descriptor "Spec. issue of" and include the name of the journal, also in italics, followed by the rest of the information required for a standard scholarly journal citation.

Web entries should follow a similar format.

Burgess, Anthony. "Politics in the Novels of Graham Greene." *Literature and Society*. Spec. issue of *Journal of Contemporary History* 2.2 (1967): 93-99. Print.

Case, Sue-Ellen. "Eve's Apple, or Women's Narrative Bytes." *Technocriticism and Hypernarrative*. Spec. issue of *Modern Fiction Studies* 43.3 (1997): 631-650. Web. 10 Feb. 2010.

MLA Works Cited: Electronic Sources (Web Publications)

Summary:

MLA (Modern Language Association) style is most commonly used to write papers and cite sources within the liberal arts and humanities. This resource, updated to reflect the *MLA Handbook for Writers of Research Papers* (7th ed.) and the *MLA Style Manual and Guide to Scholarly Publishing* (3rd ed.), offers examples for the general format of MLA research papers, in-text citations, endnotes/footnotes, and the Works Cited page.

MLA lists electronic sources as *Web Publications*. Thus, when including the medium of publication for electronic sources, list the medium as *Web*.

It is always a good idea to maintain personal copies of electronic information, when possible. It is good practice to print or save Web pages or, better, using a program like Adobe Acrobat, to keep your own copies for future reference. Most Web browsers will include URL/electronic address information when you print, which makes later reference easy. Also, you might use the Bookmark function in your Web browser in order to return to documents more easily.

Important Note on the Use of URLs in MLA

MLA no longer requires the use of URLs in MLA citations. Because Web addresses are not static (i.e., they change often) and because documents sometimes appear in multiple places on the Web (e.g., on multiple databases), MLA explains that most readers can find electronic sources via title or author searches in Internet Search Engines.

For instructors or editors who still wish to require the use of URLs, MLA suggests that the URL appear in angle brackets after the date of access. Break URLs only after slashes.

Aristotle. *Poetics*. Trans. S. H. Butcher. *The Internet Classics Archive*. Web Atomic and Massachusetts Institute of Technology, 13 Sept. 2007. Web. 4 Nov. 2008. <<http://classics.mit.edu/>>.

Abbreviations Commonly Used with Electronic Sources

If publishing information is unavailable for entries that require publication information such as publisher (or sponsor) names and publishing dates, MLA requires the use of special abbreviations to indicate that this information is not available. Use *n.p.* to indicate that neither a publisher nor a sponsor name has been provided. Use *n.d.* when the Web page does not provide a publication date.

When an entry requires that you provide a page but no pages are provided in the source (as in the case of an online-only scholarly journal or a work that appears in an online-only anthology), use the abbreviation *n. pag.*

Basic Style for Citations of Electronic Sources (Including Online Databases)

Here are some common features you should try and find before citing electronic sources in MLA style. Not every Web page will provide all of the following information. However, collect as much of the following information as possible both for your citations and for your research notes:

- Author and/or editor names (if available)
- Article name in quotation marks (if applicable)
- Title of the Website, project, or book in italics. (Remember that some Print publications have Web publications with slightly different names. They may, for example, include the additional information or otherwise modified information, like domain names [e.g. .com or .net].)
- Any version numbers available, including revisions, posting dates, volumes, or issue numbers.
- Publisher information, including the publisher name and publishing date.
- Take note of any page numbers (if available).
- Medium of publication.
- Date you accessed the material.
- URL (if required, or for your own personal reference; MLA does not require a URL).

Citing an Entire Web Site

It is necessary to list your date of access because web postings are often updated, and information available on one date may no longer be available later. If a URL is required or you chose to include one, be sure to include the complete address for the site. (Note: The following examples do not include a URL because MLA no longer requires a URL to be included.)

Remember to use *n.p.* if no publisher name is available and *n.d.* if no publishing date is given.

Editor, author, or compiler name (if available). *Name of Site*. Version number. Name of institution/organization affiliated with the site (sponsor or publisher), date of resource creation (if available). Medium of publication. Date of access.

The Purdue OWL Family of Sites. The Writing Lab and OWL at Purdue and Purdue U, 2008. Web. 23 Apr. 2008.

Felluga, Dino. *Guide to Literary and Critical Theory*. Purdue U, 28 Nov. 2003. Web. 10 May 2006.

Course or Department Websites

Give the instructor name. Then list the title of the course (or the school catalog designation for the course) in italics. Give appropriate department and school names as well, following the course title. Remember to use n.d. if no publishing date is given.

Felluga, Dino. *Survey of the Literature of England*. Purdue U, Aug. 2006. Web. 31 May 2007.

English Department. Purdue U, 20 Apr. 2009. Web. 14 May 2009.

A Page on a Web Site

For an individual page on a Web site, list the author or alias if known, followed by the information covered above for entire Web sites. Remember to use *n.p.* if no publisher name is available and *n.d.* if no publishing date is given.

"Athelete's Foot - Topic Overview." *WebMD*. WebMD, 25 September 2014. Web. 6 July 2015.

Lundman, Susan. "How to Make Vegetarian Chili." *eHow*. Demand Media, n.d. Web. 6 July 2015.

An Image (Including a Painting, Sculpture, or Photograph)

Provide the artist's name, the work of art italicized, the date of creation, the institution and city where the work is housed. Follow this initial entry with the name of the Website in italics, the medium of publication, and the date of access.

Goya, Francisco. *The Family of Charles IV*. 1800. Museo Nacional del Prado, Madrid. *Museo Nacional del Prado*. Web. 22 May 2006.

Klee, Paul. *Twittering Machine*. 1922. Museum of Modern Art, New York. *The Artchive*. Web. 22 May 2006.

If the work is cited on the web only, then provide the name of the artist, the title of the work, the medium of the work, and then follow the citation format for a website. If the work is posted via a username, use that username for the author.

brandychloe. "Great Horned Owl Family." Photograph. *Webshots*. American Greetings, 22 May 2006. Web. 5 Nov. 2009.

An Article in a Web Magazine

Provide the author name, article name in quotation marks, title of the Web magazine in italics, publisher name, publication date, medium of publication, and the date of access. Remember to use *n.p.* if no publisher name is available and *n.d.* if no publishing date is given.

Bernstein, Mark. "10 Tips on Writing the Living Web." *A List Apart: For People Who Make Websites*. A List Apart Mag., 16 Aug. 2002. Web. 4 May 2009.

An Article in an Online Scholarly Journal

For all online scholarly journals, provide the author(s) name(s), the name of the article in quotation marks, the title of the publication in italics, all volume and issue numbers, and the year of publication.

Article in an Online-only Scholarly Journal

MLA requires a page range for articles that appear in Scholarly Journals. If the journal you are citing appears exclusively in an online format (i.e. there is no corresponding print publication) that does not make use of page numbers, use the abbreviation *n. pag.* to denote that there is no pagination for the publication.

Dolby, Nadine. "Research in Youth Culture and Policy: Current Conditions and Future Directions." *Social Work and Society: The International Online-Only Journal* 6.2 (2008): n. pag. Web. 20 May 2009.

Article in an Online Scholarly Journal That Also Appears in Print

Cite articles in online scholarly journals that also appear in print as you would a scholarly journal in print, including the page range of the article. Provide the medium of publication that you used (in this case, *Web*) and the date of access.

Wheelis, Mark. "Investigating Disease Outbreaks Under a Protocol to the Biological and Toxin Weapons Convention." *Emerging Infectious Diseases* 6.6 (2000): 595-600. Web. 8 Feb. 2009.

An Article from an Online Database (or Other Electronic Subscription Service)

Cite articles from online databases (e.g. LexisNexis, ProQuest, JSTOR, ScienceDirect) and other subscription services just as you would print sources. Since these articles usually come from periodicals, be sure to consult the appropriate sections of the Works Cited: Periodicals page, which you can access via its link at the bottom of this page. In addition to this information, provide the title of the database italicized, the medium of publication, and the date of access.

Note: Previous editions of the MLA Style Manual required information about the subscribing institution (name and location). This information is no longer required by MLA.

Junge, Wolfgang, and Nathan Nelson. "Nature's Rotary Electromotors." *Science* 29 Apr. 2005: 642-44. *Science Online*. Web. 5 Mar. 2009.

Langhamer, Claire. "Love and Courtship in Mid-Twentieth-Century England." *Historical Journal* 50.1 (2007): 173-96. *ProQuest*. Web. 27 May 2009.

E-mail (including E-mail Interviews)

Give the author of the message, followed by the subject line in quotation marks. State to whom the message was sent, the date the message was sent, and the medium of publication.

Kunka, Andrew. "Re: Modernist Literature." Message to the author. 15 Nov. 2000. E-mail.

Neyhart, David. "Re: Online Tutoring." Message to Joe Barbato. 1 Dec. 2000. E-mail.

A Listserv, Discussion Group, or Blog Posting

Cite Web postings as you would a standard Web entry. Provide the author of the work, the title of the posting in quotation marks, the Web site name in italics, the publisher, and the posting date. Follow with the medium of publication and the date of access. Include screen names as author names when author name is not known. If both names are known, place the author's name in brackets. Remember if the publisher of the site is unknown, use the abbreviation *n.p.*

Editor, screen name, author, or compiler name (if available). "Posting Title." *Name of Site*. Version number (if available). Name of institution/organization affiliated with the site (sponsor or publisher). Medium of publication. Date of access.

Salmar1515 [Sal Hernandez]. "Re: Best Strategy: Fenced Pastures vs. Max Number of Rooms?" *BoardGameGeek*. BoardGameGeek, 29 Sept. 2008. Web. 5 Apr. 2009.

A Tweet

MLA posted guidelines on their [website](#) for how to cite a tweet on a Works Cited page. Begin with the user's name (Last Name, First Name) followed by his/her Twitter username in parentheses. Insert a period outside the parentheses. Next, place the tweet in its entirety in quotations, inserting a period after the tweet within the quotations. Include the date and time of posting, using the reader's time zone; separate the date and time with a comma and end with a period. Include the word "Tweet" afterwards and end with a period.

Brokaw, Tom (tombrokaw). "SC demonstrated why all the debates are the engines of this campaign." 22 Jan. 2012, 3:06 a.m. Tweet.

Purdue Writing Lab (PurdueWLab). "Spring break is around the corner, and all our locations will be open next week." 5 Mar. 2012, 12:58 p.m. Tweet.

YouTube Videos

The MLA does not currently prescribe a citation style for *YouTube* videos. Based on MLA standards for other media formats, we feel that the following format is the most acceptable for citing YouTube videos:

Author's Name or Poster's Username. "Title of Image or Video." Media Type Text. *Name of Website*. Name of Website's Publisher, date of posting. Medium. date retrieved.

Here is an example of what that looks like:

Shimabukuro, Jake. "Ukulele Weeps by Jake Shimabukuro." Online video clip. *YouTube*. YouTube, 22 Apr. 2006. Web. 9 Sept. 2010.
